 to a party at his house or dwelling place, that dwelling

 King was annull'd by Exception for that the Execution
 bore the Charge to have been given at the parties dwelling
 place, without mentioning where it was: Albeit he
 was therein Design'd burges of Cornburgh, which he had
 profumable that he dwell there 14 July 1626. But in

in the particular Register of the head burgh of the shire, in
 any of the Regality where the Denounced party dwells. Execu-
